MARE NAME: _____ REG #: _____

STALLION NAME: _____ REG#: _____

The undersigned hereby agrees to breed the above named mare to the above named Stallion for the _____ breeding season with cooled transported semen, the terms being as follows:

1. The transported semen contract must be completed, signed by mare owner and returned to GW Quarter Horses with the appropriate fees **prior to** the initiation of any services. **A copy of the mare's certificate of registration (both front and back) must also be returned with the contract and fees.**
2. Stallion fee will be \$_____ and collection and shipping fee will be \$_____ **[non-refundable]** payable with returned contract to GW Quarter Horses. **All fees must be paid in full before collection and shipping of cooled semen.** Each shipment will contain enough semen for 2 inseminations. If additional shipments are required, there will be an additional collection and shipping charge of \$_____ **[non-refundable]**. There will be a mandatory 24-hour notice prior to collection and shipping and GW Quarter Horses should be notified in advance as to when this may occur.
3. Mares on the premises of GW Quarter Horses breeding facility will have priority for semen on any given breeding day. GW Quarter Horses reserves the right to refuse shipment of semen if the semen is needed for mares at GW Quarter Horses. Semen will be shipped upon availability at the discretion of GW Quarter Horses.
4. Mare owner agrees to assume responsibility for all facets of breeding the mare and agrees to comply with all breed registry requirements concerning the use and handling of cooled semen. Mare owner agrees that the cooled semen will only be shipped to; and insemination will only be performed by; a licensed veterinarian (or a breeding farm that retains a veterinarian) who is qualified and experienced in the handling and use of cooled semen. The receiving veterinarian or farm manager and the shipping location named below shall be agreed to as part of this contract.

Designated Breeding Facility: _____

Name of Veterinarian or Farm Manager: _____

Shipping Address: _____

Phone number: _____

5. GW Quarter Horses only assumes responsibility to ship semen in viable condition to the designated location and shall not be held responsible for contamination of semen during or after shipment, loss of viability, or costs arising from shipments delayed, damaged or lost in transit. GW Quarter Horses does not guarantee the fertility of any Stallion but does agree to process each ejaculate so as to optimize 24-hour post cool viability and subsequent fertility. Every effort should be made to inseminate mare within 24 hours after collection from Stallion. Mare owner agrees to use all semen provided by this agreement for the mare named in this agreement and no other.

6. It is the mare owner's responsibility to return the signed pink copy of the Semen Collection/Insemination Certificate to GW Quarter Horses and forward a signed copy of the certificate to the appropriate breed registry.
7. Mare owner agrees to have mare checked by ultrasound no later than 18 days after insemination. No later than 30 days after the insemination, the mare owner agrees to provide GW Quarter Horses with a written statement, which indicates the results of the pregnancy exam.
8. GW Quarter Horses guarantees a live foal only if the terms of this contract are fulfilled and the foal stands and nurses and lives for 24 hours. If foal is delivered dead or dies within the first 24 hours, this guarantee only applies if the mare owner:
 - a. Notifies GW Quarter Horses within 72 hours after the time of foaling that the mare did not produce a live foal.
 - b. Within 10 days after mare owner's notice, the mare owner provides GW Quarter Horses with a statement from a licensed veterinarian giving the particulars required to substantiate the failure of the mare to produce a live foal.

If the mare should prove barren, miscarry, or abort, GW Quarter Horses has the option to authorize rebreeding of the same mare in the year immediately following, or to refund the stud fee less the collection/shipment fee and this contract shall terminate. If the mare is to be rebred and the mare owner fails to request and receive shipped semen for rebreeding in the year immediately following, then any and all fees shall **NOT** be refunded and this contract is thereby cancelled. A substitute mare approved in advance by GW Quarter Horses may receive shipped semen if the original mare is deemed unfit for breeding or dies. **There will be another collection and shipping fee of \$_____ due and payable on any rebreed.**

9. By signing this contract it is understood that should the above named stallion die or become unfit for service, this contract shall become null and void and the stud fee **less** the collection and shipping fee (if shipment has been made) shall be refunded to the mare owner.
10. A breeders certificate will be issued for the foal conceived by this shipped cooled semen when the mare has produced a live foal and when the insemination and production of a live foal have been certified to in writing by a licensed attending veterinarian.
11. The contract shall be binding upon the parties hereto, upon execution hereof and the same may not be altered or amended except by written mutual consent of the parties hereto.
